

# Bee Bookmark

Fold Here

Cut out the pieces so you begin to assemble your bee bookmark

### How to make your bookmark

- Glue the bee body/head to the long rectangular yellow strip - your bookmark.
- Place a dot of glue onto the pointed area of the wings, the lower part, and stick the wings behind the bee body/head.
- Cut out the feet and antenna out and cut in half - along the dotted line.
- Stick the feet and legs to the back of the bee body/head as shown in the picture above.
- Glue the flower onto the bottom of your bookmark.

Find a great book to read and enjoy your new bookmark!
