

**One Medicine Cancer Discovery Fund**  
**Expression of Interest (Eol)**

**Deadline for submissions: 5pm on 29 December 2024**

**Please use this Expression of Interest (Eol) form if you would like to apply for the full One Medicine Cancer Discovery Fund. This will then be reviewed by our [Science Committee](#) and shortlisted applicants will be invited to take part in the 2<sup>nd</sup> stage of the process.**

Please ensure that you have read the guidance document before completing this form and that you have completed all sections of the form. The complete application pack consists of the following:

- Cover letter (maximum 2 pages), which supports the project and justification for the application
- Eol application form
- CV of the lead applicant

Applications must be submitted as a PDF file to [iva@humanimaltrust.org.uk](mailto:iva@humanimaltrust.org.uk) by the deadline indicated above. Applications received after this deadline will not be accepted.

To discuss your proposal prior to submission, please email [iva@humanimaltrust.org.uk](mailto:iva@humanimaltrust.org.uk)
