The Proposal

1. Please describe in summary your intended partnership or project, disease area, and goals you would like to achieve during the award (400 words).

2. Please describe how this partnership or project fits fully within the One Medicine remit, and has the potential to help to improve the health and lives of animals and humans in a balanced, and timely way (1000 words).

3. Please describe in detail a) The objectives of your partnership or project b) The methods you propose to use and explain how these are appropriate to the objectives (1000 words).

4. Please outline tangible outputs and how these will be delivered within the proposed project timeframe of up to 12 months (1000 words).

5. Please describe how the award funding and other resources will be used (400 words). Please also complete the Costing Template, available online here, and email along with supporting documents to alex@humanimaltrust.org.uk.

6. Please outline your plan for how you intend to demonstrate and disseminate impact of this work, and how this work will contribute to your future One Medicine projects or collaborative work (500 words).

7. References.

Section 3: Applicants CVs and role in a project

8. Please briefly summarise each applicant's relevant expertise and specific role in the proposed project (500 words). Please send CVs (max. 2 pages plus selected recent publications) along with supporting documents to alex@humanimaltrust.org.uk.

Section 4: Project public summary

9. Please provide a brief lay summary (2-3 paragraphs) describing what this funding will help you to achieve, and how this project aims to advance One Medicine and improve the health and lives of humans and animals.

   If your project is successfully funded, we may use this summary on our website and in other communications with our supporters and fundraisers (with your approval).

Supporting Documents

Please email the following documents to alex@humanimaltrust.org.uk

Required

- Brief cover letter including the following as part of the email text:
  - Lead applicant name
  - Project name
  - Statement confirming if/how you have used AI tools for assistive tasks only
- CV(s) for the lead applicant(s) and all co-applicants (max. 2 pages plus selected recent publications), including brief statements of support
- Completed One Medicine Professional Impact Awards Costing Template
- Gantt chart
- Letter of support from the lead institution

Where applicable

- Letter of support from co-applicant institution(s)
- Declaration(s) of conflict of interest

File naming

To help us match your documents to your application, please name each file using:
SURNAME_Firstname_DocumentType

For example, if Jane Smith is the lead applicant:

SMITH_Jane_LetterofSupport.pdf
SMITH_Jane_CostingTemplate.xlsx
SMITH_Jane_GanttChart.pdf

For documents relating to a co-applicant, please include the co-applicant's name:
SMITH_Jane_CoApplicantCV_JonesPeter.pdf

Please use the lead applicant's name at the beginning of every filename.
